

Christian Marriage Reset Workbook

*Rebuild, Restore, and Renew Your Marriage on God's
Foundation*

A 6-Week Guided Workbook for Couples

For couples seeking healing, restoration,
and a fresh start in their marriage

Introduction: Why a Marriage Reset?

Every marriage goes through seasons of difficulty. Whether you are facing communication breakdown, trust issues, emotional distance, or simply feeling stuck, this workbook is designed to help you and your spouse hit the 'reset' button and rebuild your marriage on the solid foundation of God's Word.

This is not about blame. It's not about who's right or wrong. It's about two people choosing to humble themselves before God and each other, to heal what's broken, and to create something beautiful together.

This workbook covers 6 key areas:

- * Week 1: Honest Assessment - Where are we now?
- * Week 2: Forgiveness & Healing - Releasing the past
- * Week 3: Communication Reset - Learning to truly listen
- * Week 4: Trust Rebuilding - One step at a time
- * Week 5: Intimacy Restoration - Reconnecting heart to heart
- * Week 6: Vision Renewal - Building our future together
