*A Comprehensive Study Guide and Journal for Every
Book from Genesis to Revelation*

Read, Reflect, Record, Apply

Structured pages for each book of the Bible
with study prompts and journaling space

How to Use This Journal

This journal provides a structured page for each of the 66 books of the Bible. As you read through each book, use the prompts to guide your study. You do not need to complete these in order -- start wherever you are currently reading!

For each book, record:

- * Key theme and summary
- * Favorite verse
- * What you learned about God
- * How it applies to your life
- * Questions you have
- * Your prayer response
